INTRODUCTION

Welcome to SDBIT

Run by Maa Gangey Prasadhey Education Foundation, a Society registered under the Societies Registration Act 1860. An educational oasis located on the bank of a stream, known as Neemi in Majhaun at a peaceful and pristine greens of Doon Valley. Our campus offers diverse resources for mind, body, soul and enough flexibility for students to explore them in their own distinctive way. The college started functioning with a single stream of B.Ed in the year 2004 is today a confluence of over a dozen job oriented professional courses, which itself speaks about its speedy progress.

Our vision is to make SDBIT premier Institute of the country, imparting high quality Professional and Technical Education to our younger aspirants to create a vibrant community of Technocrats, Managers, Pharmacist, Health Care Workers and Educationists to prove their worth through their knowledge and skills and to serve the Nation by Intensive Research and Development to create state of the art world class Infra-structural facilities which would contribute in R & D to attain new heights of Education.

OUR MISSION

Our mission is to impart best possible education to the students of various courses including Education, Agriculture, Pharmacy, Paramedical, Physiotherapy, Nursing and Diploma Engineering courses with knowledge of skills and creativity to be able to impart their future responsibilities with integrity, confidence and to be able to contribute in the growth of the nation. We are committed to invent, share and apply management skills in every field of activity and to enhance the learning of students as well as faculty and also to improve the effectiveness of organization through research, teaching and the practices of management.

Dehradun needs no introduction to the seekers, learners and students alike, and so is flourishing Shree Dev Bhoomi Institute, sitting in the lap of the Doon Valley, nestled in nature's beautiful and refreshing environs gifting a perfect atmosphere whether to a meditating sage, to a wanderlust in the woods or to a seeker, a student who is mesmerized for the life, for their time at SDBIT.

Every great event, it has been well said, brings one absolute new thing into the world. One such event was the setting up of the Maa Gangey Prasadhey Education Foundation Society in 2004. A group of seven like minded people gathered to work in the field of higher and professional education. The main aim was to provide quality education to the students at an affordable fee. Though modest and un-advertised was their act, yet it created a sensation in the educational history of this region. The environment today is totally different from the one in 2004. However, the mission of the founders of Maa Gangey Prasadhey Education Foundation Society is pursued with the same goal towards fulfilment of the vision of providing education to the needy in all spheres of human knowledge. The demands on the technological front are going to intensify and the process of the world which has become a Global Village will gather momentum. In view of the above anticipation, the importance of higher education in building a nation is beyond announces doubt. The growth of a country on all fronts agricultural, scientific, industrial and health care sector is directly proportional to the creation of a well-trained professional work force. This can only be achieved through good quality higher education.

Shrinivas Nautiyal
Founder & Chairman
SDBIT

DECADE OF DEDICATION

Shree Dev Bhoomi Institute of Education, Science and Technology Dehradun speaks of the glory and rich heritage of the Maa Gangey Prasadhey Education Foundation Society, its technological institutions outshine that rich and varied heritage.

While the quality track record that it has set in Pharmacy, Management, Nursing, Healthcare sector, Agriculture, Education and Engineering bring fame to the Society, the infra-structural excellence further adds to it.

With right approach and broad perspective we and our team have set a new tradition that 'nothing beats quality'. We have completed seventeen dedicated years of our operations and we are thankful to our students, their parents, our staff members, teaching faculties, friends and well wishers for making our 20 years journey a memorable one.

DIRECTOR'S MESSAGE

Dr. Shivanand Patil

Director Academics, Principal (Deptt. of Pharmacy)
Member of PCI (Uttarakhand)

Shree Dev Bhoomi Institute of Education Science and Technology is committed to achieve excellence in Technical, Paramedical, Physiotherapy, Pharmacy, Nursing, Agriculture, Education & research and assesses the success and leadership of its programs using the highest standards of quality, innovation, and visibility. Our goal is to be the most preferred choice of students, faculty & industries and to be in the top in every discipline of Engineering, Paramedical, Physiotherapy, Agriculture, Nursing, Healthcare workers & Pharmacy. Our aim is to achieve global leadership in human development & excellence in education. Our objectives of imparting professional education, combined with fostering innovative thinking, application of knowledge, inculcating professional ethics and consciousness to social responsibilities. We wish to encourage & promote research activities & integrate it with the teaching-learning process. We believe in lifelong learning & training leading to benefits of the society. I am confident that with the concerted efforts of team will scale up to the greater heights of excellence in the years to come. Our team plays a vital role in producing world-class Engineers, Pharmacist Management and Teachers professionals required to meet the demands of the fast-changing global society. Our vision is impacting society through globally competent technologists with the primary objective to provide a quality education through long term value creation. Our group is offering 8 Undergraduate, 03 Postgraduate, 05 Diploma courses. Programs are approved by AICTE, NCTE, PCI, UBTER, Uttarakhand Paramedical Council, Sri Dev Suman Uttarakhand University, HNB Medical Education University, Dehradun & Uttarakhand Technical University, Dehradun. With more than 1000 students & over 100 well-qualified faculties are committed to ensuring quality education. Apart from curriculum-based studies, the emphasis is made on the promotion of innovative-driven projects, interaction with industries, soft skill & personality development, co-curricular and extra-curricular activities. Our core values of knowledge, character, excellence, integrity, transparency, quality, teamwork, execution with passion, trust, continuous and student-centric learning are all closely integrated into our academic programs. We have over 10000 Alumni who occupy coveted positions both in India and abroad and are a source of pride and inspiration to us. Being a leader in the industry is our common goal. We plan to expand existing programs & promote industry relevant projects, R & D and consultancy to raise the overall standard as well as to bridge the gap between academics & industry requirements. With excellence in education & research activities, we aim to make the group visible globally. Our Team is working to upgrade our institution by NAAC accreditation.

Prof. (Dr.) Sanjai Kumar

Dean & Principal
College of Allied Health Care Sciences

H.O.D.'S MESSAGE

Education is the most powerful tool, capable of bringing the positive aptitude in the individual. In this competitive global scenario it is necessary to prepare the students to meet new challenges to enhance their career. The noble idea of our institution is to identify raw talents among the students and shape them into champions with imperishable knowledge to face the global challenges. Vision, planning, strategy and execution all play a vital role in an institutions growth and SDBIT is committed in new ventures to establish itself as the best institution in offering quality technical evolution. Our teaching methodologies are characterized and geared fully to meet the expectations of the industries. Bringing excellence is a long term endeavor and SDBIT is on the marching path of excellence at all times.

Mr. Sandeep Kumar Dudi

H.O.D.
College of Nursing

H.O.D.'S MESSAGE

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses practice in many specialties with differing levels of prescription Authority. Nursing in the 21 century is a demanding yet rewarding profession as well as noble profession. We aim to develop nurse who will provide holistic care, develop professional leadership, will contribute to the society and to become a dedicated healthcare professional. "As a Nurse, we have the opportunity to heal the heart, mind, soul and body of our patients, their families and ourselves. They may not remember our name but they will never forget the way we made them feel."

H.O.D.'S MESSAGE

Dr. Akhilesh Mishra

Principal
Deptt. of Agriculture

It gives me enormous pleasure in welcoming you to the department of agriculture . It is a department where discipline and punctuality with conducive environment will provide quality education development in leading area of agriculture. The department has well qualified and experienced staff along with well equipped laboratory with modern Audio-visual aids. This department organizes field demonstration, group discussion, mock interviews and Power Point presentation for overall development of students. Aim of this department is to impart quality and professional education to aspiring students. It persistently seeks and adopts innovative methods aspiring students. It persistently seeks and adopts innovative methods to improve the quality of education and consistently working towards the goal to produce highly skilled and scientifically oriented manpower through flexible adoptive and progressive training programme on Mushroom production, Apiculture, Sericulture Food preservation, Tissue culture, Vermicompost, Protective cultivation of various horticultural crops because the future will call for more able more independents more client oriented extension workers.

Prof. (Dr.) Amarjeet Kaur

Principal
Deptt. of Education

H.O.D.'S MESSAGE

I am pleased to share you that our prestigious Institute SDBIT is committed to provide value based Education which would assist in bringing out qualitative improvement in teacher education and will enhance the knowledge and skills of the students. We draw attention on all round development of the students for which, the department organizes various activities besides teaching i.e, quiz, debate, essay, meditation, sports, cultural and social activities. It makes their teaching effective and in bringing desired outcomes. I felicitate to the new comers and aspirants and praise them for selecting the right institute which is very essential in the present time and advise them to implement the experience what they obtained during training in their life.

Students have to maintain a minimum of 80% attendance in theory and practical as per the AICTE, PCI, NCTE, University / Board norms. Any student not fulfilling the required attendance criteria may be debarred from appearing in the examination.

COURSES OFFERED

→ DIPLOMA COURSE

- GNM 3 Years 30 seats
- Diploma in Pharmacy 2 Years 60 seats
- Diploma in Civil Engineering (Lateral Entry) 2 Years 12 seats
- Diploma in Mechanical Engineering (Lateral Entry) 2 Years 12 seats
- Diploma in Electrical Engineering (Lateral Entry) 2 Years 12 seats

→ UNDER GRADUATE COURSE

- B. Pharmacy 4 Years 100 seats
- B. Pharmacy (Lateral Entry) 3 Years
- B. Ed. 2 Years 100 seats
- B. Sc. Nursing 4 Years 60 seats
- B. Sc. Nursing (Post Basic) 30 seats
Regular : 2 Years Distance : 3 Years
- B. Sc. Agriculture 4 Years 60 seats
- B.P.T (Physiotherapy) 4½ Years 30 seats
- B.M.R.I.T (Radio Imaging & Technology) 3½ Years 30 seats

→ POST GRADUATE COURSE

- M. Pharmacy 2 Years 30 seats
Pharmaceutics 15 seats
Quality Assurance 15 seats
- M. Sc. Agronomy 2 Years 30 seats
- M. Ed. 2 Years 50 seats

→ DOCTORATE COURSE

- Pharm D. 6 Years 30 seats
(5 years of academic study + 1 year of internship or residency)
- Pharm D. (PB) 3 Years 10 seats
(2 years of academic study + 1 year of internship or residency)

AFFILIATED TO : Veer Madho Singh Bhandari Uttarakhand Technical University, Dehradun, Sri Dev Suman Uttarakhand University (Tehri Garhwal) & Hemwati Nandan Bahuguna Uttarakhand Medical Education University, Dehradun, Uttarakhand Board Of Technical Education, Roorkee, Uttarakhand State Medical Faculty, Dehradun

APPROVED BY : AICTE & PCI New Delhi, NCTE New Delhi, Ministry of HRD, Govt. of Uttarakhand & Directorate of Medical Education Uttarakhand, Dehradun, Uttarakhand Nurses & Midwives Council, Dehradun & Uttarakhand Paramedical Council, Dehradun

DEPARTMENT OF PHARMACY

(D.PHARMA | B.PHARMA | M.PHARMA | PHARM D.)

Approved by : Ministry of HRD, New Delhi.

Affiliated to : Veer Madho Singh Bhandari Uttarakhand Technical University.

Eligibility - D.Pharm : 10+2 PCM/PCB with 45% marks.

B.Pharm : 10+2 PCM/PCB with 45% marks.

B.Pharm (L.E.) : D.Pharm with 60% marks.

M.Pharm : B.Pharm with minimum 50% marks.

Pharm D : 10+2 with PCB/PCM OR Passed in D.Pharm or any other equivalent course from an institution approved by the Pharmacy Council of India.

Pharm D (PB) : Candidate who passed in B.Pharm Course from an Institute recognised under Pharmacy Council of India.

The students those are interested in the medical field can choose this course after the completion of class 12th (PCM/B). After the completion of this course, the students can practice as a Pharmacist. Pharmacists can work in a range of industries related to the prescription, manufacture & provision of medicines. These courses are job oriented and are popular among the science students after class 12th, In these courses the students study about the Drugs and Medicines, Pharmaceutical Engineering, Medicinal Chemistry etc. This course provides a large number of job opportunities in both the public and private sector.

DEPARTMENT OF PARAMEDICAL

B.M.R.I.T (Bachelor of Medical Radiology and Imaging Technology)

Approved by : Government of Uttarakhand & Uttarakhand Paramedical Council, Dehradun.

Affiliated to : Hemwati Nandan Bahuguna Uttarakhand Medical Education University (HNBUMU), Dehradun

Eligibility : 10+2 passed from any recognized Board with PCB/PCM with minimum 50% marks

Age Criteria : 17 Years of Age on or before 31st December of the year in which admission is taken.

BMRIT, which stands for Bachelor of Medical Radiology and Imaging Technology, is an undergraduate degree program that focuses on training students in the use of various imaging technologies such as X-rays, CT scans, MRI, and ultrasound to diagnose medical conditions. The program is designed to provide students with a comprehensive understanding of the principles, techniques, and applications of medical imaging technology in healthcare.

CAREER PROSPECTS

Students who pursue this degree acquire a deep understanding of the human anatomy and physiology, radiation physics, radiation protection, and image analysis. BMRIT graduates can work in various healthcare settings such as hospitals, clinics, diagnostic centers, and research institutions. They can work as radiologic technologists, CT technologists, MRI technologists, or ultrasound technologists, and they play a critical role in the diagnosis of various medical conditions. BMRIT is a challenging and rewarding program that offers excellent career prospects for students who are interested in the field of medical imaging technology.

DEPARTMENT OF PHYSIOTHERAPY

B.P.T (Bachelor of Physiotherapy)

Approved by : Government of Uttarakhand & Uttarakhand Paramedical Council, Dehradun.

Affiliated to : Hemwati Nandan Bahuguna Uttarakhand Medical Education University (HNBUMU), Dehradun.

Eligibility : 10+2 passed from any recognized Board with PCB with minimum 50% marks.

Age Criteria : 17 Years of Age on or before 31st December of the year in which admission is taken.

BPT, which stands for Bachelor of Physiotherapy, is an undergraduate degree program that focuses on the prevention, treatment, and rehabilitation of physical disabilities, injuries, and pain through physical therapy. The program aims to provide students with a comprehensive understanding of the human body's anatomy, physiology, and kinesiology, as well as the techniques and applications of physical therapy.

CAREER PROSPECTS

BPT graduates can work in various healthcare settings such as hospitals, rehabilitation centers, sports clinics, and private practices. They can work as physical therapists, rehabilitation specialists, sports therapists, or pediatric therapists, among others. BPT is a challenging and rewarding program that offers excellent career prospects for students who are interested in the field of physical therapy. With the increasing demand for physical therapy services due to the growing aging population and an increase in sports-related injuries, BPT graduates are highly sought after in the healthcare industry.

COLLEGE OF NURSING

(GNM | B.Sc. NURSING | B.Sc. NURSING (POST BASIC))

Approved by : Govt. of Uttarakhand & Directorate of Medical Education, Dehradun and Uttarakhand Nurses and Midwives Council Dehradun.

Affiliated to : State Medical Faculty, Dehradun.

B.Sc. Nursing Eligibility : Passed the Higher Secondary or Senior Secondary or Intermediate (10+2) with PCB and English with min 45%.

B.Sc. Nursing (Post Basic) Eligibility : 12th with PCB or equivalent examination and done GNM plus registered as RNMR with State Nurses Registration Council.

GNM Eligibility : 12th with English and must have obtained a minimum of 40% at Qualifying Examination and English Individually for any recognised board (NIOS included).

Age Criteria : 17 Years of Age on or before 31st December of the year in which admission is taken.

Professional nurses have vast choice of services because of increase of medical facilities and demand all over the world. Career options include: staff nurse, educator, administrator, military nurses, NGO, insurance companies, school health nurse, community health officer, independent nurse practitioner, occupational health nurses, telemedicine, space nursing, nurses led clinics and many more to come.

DEPARTMENT OF AGRICULTURE

B.Sc. (Hons.) AGRICULTURE | M.Sc. AGRONOMY

Approved by : Govt. of Uttarakhand

Affiliated to : Sri Dev Suman Uttarakhand University
(Tehri Garhwal), Uttarakhand

B.Sc. Agriculture Eligibility : 10+2 with PCM/PCB or Agriculture or equivalent with 45% marks.

M.Sc. Agronomy Eligibility : B.Sc Agriculture or Equivalent with 50% marks.

Agriculture science is related to the use of modern scientific equipment and techniques in agriculture, land surveying, soil science, water resource management, animal and poultry management, basics of biotechnology, crops research, crop disease management, genetics etc. In recent times the agricultural produce has taken a significant position in the govt. Policy implementation as the land for agricultural produce is decreasing day by day due to growing population pressure and industrialization. Thus, this program aims at combining concepts of Biology, Technology, Genetics and Agricultural Science to boost agricultural productivity.

CAREER PROSPECTS

Lots of Government as well as Private Jobs opportunities are present in front of Graduates. Talking about Government jobs, State Agriculture Departments recruits Graduates to fill up Officer level posts, Government Banks also recruits Graduates to fill up Officer level posts (generally dealing with Loans). Talking about Private Sector jobs, graduates may find jobs as Managers at Plantations, as Officers at Fertilizer Manufacturing firms, Agriculture Machinery Industries, Agricultural Products Marketing firms, Food processing units etc.

DEPARTMENT OF ENGINEERING

(DIPLOMA ENGINEERING : CIVIL | MECHANICAL | ELECTRICAL) (LATERAL ENTRY)

Approved by : All India Council of Technical Education, New Delhi.

Affiliated to : Uttarakhand Board of Technical Education, Roorkee.

Eligibility : 12th with PCM or completed IT with related trade.

Polytechnic courses give a dynamic and progressive learning environment. The courses at polytechnic help students to start his or her profession either through a job at a well reputed company or by starting his own business. There are three main courses (Civil, Mechanical, Electrical) in polytechnic and each of them provides a vast number of job opportunities in various fields. There are many opportunities available in government as well as in private sectors.

CAREER PROSPECTS

The candidates can go for both government & private jobs after Polytechnic. The candidates will be hired on the Junior positions and Technician Level jobs. The government job options after Polytechnic includes Junior Engineer, IT Assistant, PSU jobs, Clerk, Technician in various companies like BSNL, BHEL, GAIL, Railways, ONGC, DRDO, IPCL, PSU etc.

DEPARTMENT OF EDUCATION

(B.Ed & M.Ed)

Approved by : NCTE New Delhi

Affiliated to : Sri Dev Suman Uttarakhand University
(Tehri Garhwal), Uttarakhand

Eligibility - B.Ed. : UG/PG with 50% marks for General category and 45% marks for SC, ST & OBC category and B.Ed Entrance exam passed.

M.Ed : B.Ed with 55% marks and M.Ed Entrance Exam passed.

Bachelor of Education, popularly referred as B.Ed, is a two-year full-time degree course that is essential for candidates who are interested in pursuing a career in teaching and other related fields. Students in this course are given professional training in both art and science subjects from the teaching point of view. B.Ed is mandatory for all those who want to teach in primary and secondary schools.

Masters of Education (M.Ed) is a two-year masters program offered under various specializations to pursue a career as a teacher at college and university level. It involves research work on education.

CAREER PROSPECTS

One of the reasons for the popularity of these courses is the unending employment opportunities. Teachers are required constantly in various schools across the country. The demand for jobs in the government sector is high among B.Ed & M.Ed graduates.

Admission Form

The candidates must completely fill all information required in the admission form. Incomplete form will not be entertained. All candidates must retain 2 sets of Photostat copies of all documents submitted by them with the application/admission form, in reserve with valid documents and proof of the same.

Essential Refund Rules

Admission once confirmed and fee remitted, the same is neither refundable nor transferable. However, if in case a student gets selected for government seat and provides valid documents and proof of the same, then he is eligible for refund of the tuition fee. If withdrawal is after commencement of classes during the continuation of the Academic Session, the fees will be refundable after further deduction. In case a student voluntarily withdraws from the course after the last date of Admission during the continuation of the Academic Session, he/she will not have any claim instead he/she has to pay the tuition fee of the course.

Other Documents

Fees affidavit as per Annexure-I as assurance from the Parent/Guardian.

Transport Facility

SDBIT has its own fleet of vehicles providing a good Transport System which facilitates easy access to the Institute from the main city of Dehradun.

College has many busses which pick up and drop day-scholars from specified locations in Dehradun city and en-route on payment of a nominal fee.

PERSONALITY DEVELOPMENT PROGRAMMES

As in other fields, education is also bound to undergo transformation. The faculty and students both look forward for better infrastructure for disseminating information technique which helps in acquiring wide range of knowledge. It is on this account that the Institute conducts Personality Development, English Speaking & Writing and Group Discussion.

TRAINING & PLACEMENT

Training and placement are crucial components of any educational institution as they prepare students for successful careers. Training equips students with the necessary skills and knowledge required to excel in their chosen profession, while placement services assist students in finding suitable job opportunities. The training process can involve classroom instruction, practical sessions, internships, and workshops, which aim to enhance students' skills and prepare them for the workforce. Placement services, on the other hand, help students identify job opportunities and provide guidance on resume writing, interviewing skills, and job search strategies. The Institute arranges practical training and placement of students through campus selection with companies like East-African (India) Overseas, HAB Pharmaceutical & Research Limited, Alkem Laboratories, Windlas Biotech Pvt. Ltd., Zeneva Crops Sciences Pvt. Ltd., Sun Pharmaceuticals Industries Ltd., Pbay agro products, Bajaj Automobiles, Mahindra and many more .

Industrial Visits

The college emphasizes on regular industrial visits for each course

CANTEEN FACILITIES

Library & Computer LAB

The College Library is a well-designed rich learning center spread over a floor area of 2500 sq ft with different user-friendly sections for text books and reference books. It houses about 17,000 volumes of books, periodicals, National & International Journals. CDs are also available on relevant subjects. Separate calm pleasant reading facility is available with seating capacity of 200 students at a time. It is fully computerized and supported by software package. Each department has its own separate library which provides better and independent learning space to all students. College has two separate Computer Labs available all the time for students from all departments to train them with required software skills.

Cultural & Extra

Co-curricular Activities

Practicals are an essential part of any academic or vocational program as they allow students to apply theoretical concepts in a real-world context. Practical sessions provide hands-on experience and enable students to develop critical thinking, problem-solving, and decision-making skills. Practical sessions can range from laboratory experiments to fieldwork and simulations, depending on the course's nature. During practicals, students can observe and analyze data, formulate hypotheses, test theories, and draw conclusions. Practical sessions also allow students to collaborate with peers and communicate their findings effectively. Overall, practicals are an integral component of any education system as they bridge the gap between theory and practice and prepare students for future careers.

SPORTS

Sports play a vital role in education as they promote physical and mental well-being, instill discipline, and develop important life skills. Engaging in sports activities can improve cardiovascular health, build strength and endurance, and reduce stress levels, which in turn enhances academic performance.

Sports also teach students the value of teamwork, leadership, and perseverance, which are essential skills for success in any career. Moreover, participating in sports fosters a sense of camaraderie and socialization, helping students develop lasting friendships and interpersonal skills. Through sports, students also learn about the importance of fair play, sportsmanship, and respect for rules and opponents. Overall, sports provide a well-rounded educational experience that promotes physical, emotional, and social development and prepares students for a successful future.

I am a SDBITian because.....

Teachers are fully devoted to students and their explanation is very unique in comparison to other institutes.

Shahzan

Kampur, Uttara Pradesh
Pharm D

There is a optimum batch size, due to which teachers can pay attention to every student individually. Individual counseling and motivational sessions at regular intervals help a lot.

Prema Purohit

Rudrapur, Uttarakhand
D. Pharm

It proved to be a temple of learning for me. Teachers are marvelous & their way of teaching is outstanding.

Prakash Neupane

Sindhuli, Nepal
B. Sc. Agriculture

Classes are practicals unique as it provide doubt counters, revision classes, video lectures, online test, daily practice paper test.

Yukta Shree

Patna, Bihar
Pharm D

The best thing I found about SDBIT is ultimate personal care. Faculties are very devoted, their way of teaching reduces the difficulty level of the course for me.

Pritam Sarkar

Kolkata, West Bengal
Pharm D.

Best faculty team & good academic system, regular daily practice paper, Pharma helping hand and weekly test help me monitor my performance.

Ketuvinuo

Nagaland
B. Pharm

The competitive environment and enthusiasm of teachers in the institute has created a 'productive pressure' which keeps motivated.

Vanlalmuanpuii Sailo

Mizoram
B. Pharm

At SDBIT, every student is treated equally in fact the system gives more emphasis on weak students for their success and on the other hand brilliant students are motivated for top rank.

Saurabh Rana

Rudrapur, Uttarakhand
B. Sc. Nursing
