INTRODUCTION

Welcome to SDBIT

“Strive Higher, Shine Brighter - Educate, Empower and Excel”

Our SDBIT (Shree Dev Bhoomi Institute of Technology) is an Institution established under the aegis of Maa Gangey Prasadhey Education Foundation, a society registered under the Societies Registration Act, 1860. Nestled in the serene surroundings of Majhaun, near the tranquil streams of Doon Valley, the campus provides an inspiring and academically enriching environment.

Located amidst the serene landscape on the bank of a tranquil stream named Neemi in Majhaun SDBIT finds its home in the lush and unspoiled greenery of Doon Valley providing an environment conducive to starting personal growth early.

“The mind is not a vessel to be filled, but a fire to be kindled” - Plutarch.

With modern infrastructure, qualified faculty, and a student centric approach, SDBIT is dedicated to nurturing intellectual growth, professional competence, and ethical values among learners. With ample flexibility students are encouraged to explore and develop in their own unique and creative ways- because We at SDBIT, We believe!

**“ BUILDING
SKILLS THAT
MATTER ”**

OUR VISION

SDBIT College is a leading Institution of higher education recognized for academic excellence, innovation, and holistic development, empowering students to become avid thinkers fostered to become future leaders who will contribute meaningfully to the advancement of the society. We aspire to create a dynamic learning environment that fosters creativity, critical thinking, integrity, and lifelong learning, while adapting to the evolving needs of the modern world.

OBJECTIVE

- ❖ **Student Success and Completion** : To provide quality education that meets national and worldwide academic standards.
- ❖ **Excellence** : To develop students intellectual, professional, and personal potential and promote innovation, research, entrepreneurship, and critical thinking.
- ❖ **Collaboration and Technological advancement** : To strengthen industry-academia collaboration for enhanced employability as well as integrating modern technology and practical learning into the teaching process.
- ❖ **Diversity** : To cultivate ethical values, discipline, leadership, and social responsibility, which in turn creates an inclusive and supportive environment that respects diversity
- ❖ **Life-Long Learning** : Encouraging enthusiastic, independent thinkers and learners striving for personal growth.

OUR MISSION

SDBIT Institute provides students with quality educational that lead to the successful completion of degrees, transfer, certificates, career/technical education and real world based skills proficiency. The Institution fosters academic and career success through the development of learner-focused environment fortified upon knowledge, creativity, communication, and innovation. For meeting the needs of our demographically diverse students, we embrace equality and accountability through measurable learning outcomes and ethically driven decisions for achieving lifelong success with no

Message from the **CHAIRMAN'S DESK**

Every great Institution has a defining moment—an idea that brings something meaningful and transformative into this world. One such moment was the establishment of the Maa Gangey Prasad Education Foundation Society in 2004. A group of seven like-minded individuals came together with a shared vision to contribute to the field of higher and professional education, with the primary aim of providing quality education at an affordable cost.

Though humble and without widespread publicity, this initiative marked a significant milestone in the educational development of the region. Over the years, while the external environment has evolved, the core mission of the Foundation has remained steadfast—to make education accessible to all, especially those in need, while keeping the diversity and values of such like minded individuals intact along-with attaining the professional degree with well built knowledge and confidence.

In today's rapidly advancing world, technological demands are increasing at an unprecedented pace hence the role of higher education in nation-building is the topmost need. The overall growth of a country across agricultural, scientific, industrial, and healthcare sectors is directly linked to the development of a skilled and competent workforce. Such a workforce can only be nurtured through a strong foundation of quality higher education pursued by an eager scholar. At our Institution, we remain committed to this vision, striving continuously to empower students with knowledge, skills, and values that will enable them to contribute meaningfully to the society.

Mr. Shrinivas Nautiyal
Founder & Chairman, SDBIT,
Owner

“

We are committed to providing education at its finest while promoting learning aligned with the latest trends in teaching and learning processes

”

Message from the **DIRECTOR'S DESK**

It gives me immense pleasure to welcome you to Shree Dev Bhoomi Institute of Education Science and Technology, an Institution committed to nurturing knowledge, excellence whilst character. I express my sincere gratitude to our students or dare I say avid scholars chasing excellence and their parents, concerned faculty members, staff, alumni, and well-wishers who support and trust our growth and journey.

Our Institute strives to deliver quality education across diverse courses such as, Agriculture, Education, Physiotherapy, Nursing, and Paramedical, Pharmacy, and other professional programmes.

We are dedicated to creating an environment where innovation, discipline, and values come together to shape future-ready professionals. We believe education is not only about earning a degree, but about developing confidence, leadership, integrity, and the ability to contribute positively to society. Our objective is to empower students with knowledge, practical skills, and ethical values so they may excel in their chosen careers and become responsible citizens of tomorrow.

As we look ahead, we are committed to embracing introducing progressive learning opportunities that match global standards. We envision our students becoming pioneers, entrepreneurs, healthcare leaders, educators, and change-makers who will lead society into a brighter future with the collective efforts of our faculty and management, we continue to move forward with optimism and determination. We are thankful for every milestone achieved and excited for the opportunities that lie ahead. I warmly invite every aspiring learner to become a part of this growing family and join us in building a future driven by knowledge, innovation, and excellence with the best wishes for your future.

Dr. Shivanand Patil
Director Academic,

Principal (Department of Pharmacy,
Central Council Member, PCI,
New Delhi

We value the pursuit of knowledge that fuels your curiosity and creativity thereby strengthening the grasps over the future opportunities that awaits you

Message From The Principal Of Education and Agriculture

SDBIT provides value-based education designed to improve teacher training and enhance student skills. In department of education we prioritize holistic growth through diverse activities like debates, sports, and cultural events. These initiatives ensure effective teaching and consistently produce the educational outcomes. I congratulate our newcomers for selecting the right Institute for their professional journey. I encourage you to apply your training experiences to excel in your future careers.

It gives me great pleasure to welcome you to our esteemed Department of Agriculture. We foster a disciplined environment that provides high-quality education in leading agricultural fields. Our department features experienced staff and laboratories equipped with modern audio-visual aids. We organize field demonstrations, mock interviews, and presentations to ensure comprehensive development. Our ultimate aim is to empower aspiring students to excel within the agricultural sector.

Message From The Principal Of Nursing

On behalf of the Department of Nursing, I extend a warm welcome to all prospective students joining our community. We are committed to providing an enriching educational experience that builds compassionate and competent healthcare professionals. Our dedicated faculty fosters a supportive environment designed to meet the demands of an forever evolving healthcare landscape. By blending rigorous academic study with core values, we prepare you to promote global health and wellness. We look forward to supporting your personal journey and helping you become a successful, high-achieving nursing professional chasing to be the best. Our college is a dedicated community focused on developing ethical nurses who shape the well-being of society. We offer an innovative curriculum and clinical partnerships that provide vital hands-on experience with expert practitioners. Through this comprehensive training, students acquire leadership, empathy, and the integrity essential for this noble calling. Our experienced faculty provides the guidance necessary for you to reach your full potential and excel. We are honored to partner with you on this fulfilling adventure as you make a difference in others' lives.

Prof. Dr Amarjeet Kaur
Principal
College of Education
&
HOD of Agriculture

Prof. Rajendra Singh Chandravanshi
Principal
College of Nursing

Message From The HOD OF PARAMEDICAL

Greetings from the Paramedical Department at Shree Dev Bhoomi Institute, where we nurture the next generation of healthcare leaders. Our department is committed to developing competent, compassionate professionals who serve the community with skill and integrity. We combine academic excellence with hands-on clinical training, supported by dedicated faculty and state-of-the-art laboratory facilities. This rigorous approach ensures our students gain the technical knowledge and ethical grounding required for the paramedical field through prioritizing holistic development whilst encouraging students to participate in research, seminars, and specialized workshops.

Such initiatives are designed to bridge the gap between classroom learning and the demands of the modern healthcare sector. So we whole heartedly invite you to join our mission of excellence and begin a career that truly makes a difference in people's lives.

Message From The HOD OF PHARMACY

It is a pleasure to welcome you to the Department of Pharmacy, where we are dedicated to shaping the future of pharmaceutical sciences. Our department provides a rigorous academic environment that balances theoretical knowledge with intensive practical training in our modern, well-equipped laboratories. Guided by our experienced faculty, you will explore the complexities of drug development, clinical pharmacy, and patient care. We are committed to fostering your growth into highly skilled and ethical pharmacists ready to meet the challenges of the global healthcare requirement in a confident and optimistic way .

Beyond the classroom, we emphasize holistic development through research opportunities, technical seminars, and professional workshops. Our strong ties with the pharmaceutical industry and clinical institutions ensure that you receive valuable exposure to real-world practices and innovations. We encourage you to embrace this transformative journey with discipline and curiosity as you prepare for a rewarding career. So join us in our mission to improve health outcomes and make a meaningful impact on society through the noble profession of Pharmacy...

Prof. Dr Richa Sharma
HOD
College of Paramedical

Prof. Dr Rita Saini

- ◉ GNM 3 Years 30 seats
- ◉ D. Pharmacy 2 Years 60 seats

Under Graduate Course

- ◉ B. Pharmacy 4 Years 100 seats
- ◉ B. Pharmacy (Lateral Entry) 3 Years 10 seats
- ◉ B. Ed. 2 Years 100 seats
- ◉ B. Sc. Nursing 4 Years 60 seats
- ◉ Post Basic (B. Sc. Nursing) 2 Years 30 seats
- ◉ B.P.T (Physiotherapy) 4.5 Years 30 seats
- ◉ B.P.T (Lateral Entry) 3.5 Years
- ◉ B.M.R.I.T(Radio Imaging & Technology) 3.5 Years 30 seats
- ◉ B.M.R.I.T(Lateral Entry) 2.5 Years
- ◉ B. Sc. Agriculture (Hons.) 4 Years 60 seats

Post Graduate Course

- ◉ M. Pharmacy 2 Years 30 seats
 - Pharmaceutics 15 seats
 - Quality Assurance 15 seats
- ◉ M. Sc. Agronomy 2 Years 30 seats
- ◉ M.Ed. 2 Years 50 seats
- ◉ Pharm D. 6 Years 30 seats
- ◉ Pharm D. (PB) 3 Years 10 seats
- ◉ M. Sc Nursing
 - Medical surgical nursing 2 Years 05 seats
 - Child health nursing 2 Years 05 seats
 - Community health nursing 2 Years 05 seats
 - Mental health nursing 2 Years 05 seats
 - Obstetrics & Gynaecological nursing 2 Years 05 seats

D. Pharma(Diploma in Pharmacy) 2 years

Approved by	Affiliated to	Eligibility
Ministry of HRD, & Pharmacy Council of India New Delhi	Uttarakhand Board Board of Technical Education Roorkee	10+2 passed from any recognized Board with PCB/PCM/PCMB with minimum 45% marks
Age Criteria	17 Years of Age on or before 31st December of the year in which admission is taken.	

ABOUT COURSE

The Diploma in Pharmacy is a career-oriented programme designed for students who aspire to enter the pharmaceutical and healthcare industry at an early stage. The course provides strong foundations in pharmacology, drug formulation, dispensing practices, pharmaceutical chemistry, hospital pharmacy, and community healthcare. Students gain practical knowledge through laboratory training, real-world case understanding, and industry-oriented learning, preparing them for professional roles in pharmacies, hospitals, and pharmaceutical companies.

Why Choose This Programme?

- * Strong demand in healthcare and medicine sectors
- * Quick entry into the pharmacy profession
- * Practical and skill-based curriculum
- * Opportunities in retail, hospital, and industrial pharmacy
- * Pathway to higher studies like B.Pharmacy
- * Stable and respected healthcare career

B. Pharm(Bachelors in Pharmacy) 4 years & B.Pharm(Lateral Entry) 3 Years

Approved By	Affiliated to	B.Pharm Eligibility	B.Pharm (LE) Eligibility
Ministry of HRD, & Pharmacy Council of India New Delhi	Veer Madho Singh Bhandari Uttarakhand Technical University Dehradun	10+2 passed from any recognized Board PCB/PCM/PCMB with minimum marks	D.Pharm passed from any recognized University with minimum 55% marks

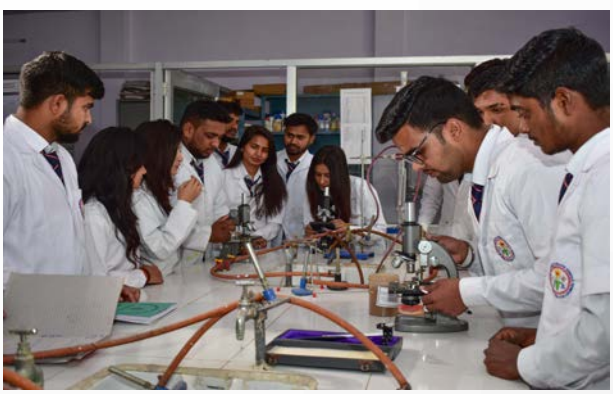

ABOUT COURSE

Bachelor of Pharmacy is a prestigious undergraduate programme that develops expertise in medicines, healthcare products, pharmaceutical sciences, drug development, and patient care. The course combines scientific learning with industrial exposure and practical laboratory training.

Students are trained in pharmaceuticals, medicinal chemistry, pharmacology, quality control, and pharmaceutical management, making them highly employable across healthcare and industry sectors

Why Choose This Programme

- ❖ Highly versatile and future-ready profession
- ❖ Strong demand in pharmaceutical industries
- ❖ Opportunities in research, production, quality control, and marketing
- ❖ Gateway to higher studies and specialization
- ❖ Excellent entrepreneurship scope in pharmacy business
- ❖ Respected profession with global opportunities

Pharm D (Doctor of Pharmacy) 6 years & Pharm D (PB) (Post Baccalaureate) 3 years

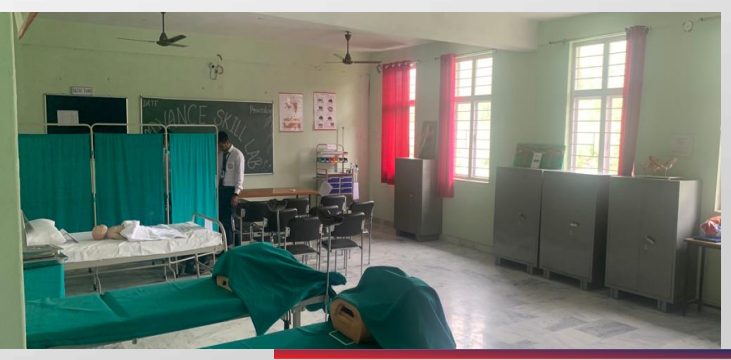

Approved by	Affiliated to	Pharm D Eligibility	Pharm D (PB) Eligibility
Ministry of HRD, & Pharmacy Council of India New Delhi Age Criteria	Veer Madho Singh Bhandari Uttarakhand Technical University, Dehradun	10+2 passed from any recognized Board PCB/PCM/PCMB	B. Pharm passed from any recognized University
Age Criteria	1 Years of Age on or before 31 st December of the year in which admission is taken		

About Course

Pharm.D is an advanced professional doctoral programme focused on clinical pharmacy, patient care, therapeutics, and healthcare decision-making. It prepares students to work closely with doctors and healthcare teams in hospitals to ensure safe and effective use of medicines. The programme blends pharmacy science with real-time hospital training, internships, and clinical practice, creating highly skilled medication experts

Why Choose This Programme

- ❖ Doctoral-level qualification in pharmacy
- ❖ High demand in hospitals and clinical settings
- ❖ Direct patient-care and healthcare team roles
- ❖ Strong international recognition and career scope
- ❖ Opportunities in clinical research and pharmacovigilance
- ❖ Premium healthcare profession with leadership potential

M. Pharm (Masters of Pharmacy) (Pharmaceutics) 2 years

Approved by	Affiliated to	Eligibility
Ministry of HRD, & Pharmacy Council of India New Delhi	Veer Madho Singh Bhandari Uttarakhand Technical University, Dehradun	B. Pharm passed from any recognized university within minimum 55 % Marks

About Course

The Master of Pharmacy in Pharmaceutics is a specialized postgraduate programme focused on advanced drug formulation, pharmaceutical technology, dosage design, and modern medicine delivery systems. It prepares graduates for leadership roles in pharmaceutical manufacturing, R&D, and quality systems.

Students gain expertise in innovation, research methodology, and industrial applications of pharmaceutical sciences.

Why Choose this programme

- ❖ Advanced specialization in drug formulation sciences
- ❖ Strong opportunities in R&D and manufacturing
- ❖ Higher salary potential and leadership roles
- ❖ Gateway to Ph.D. and academic careers
- ❖ In-demand specialization in pharma industry
- ❖ Research-focused and innovation-driven programme

M. Pharm (Masters of Pharmacy) (Quality Assurance) 2 years

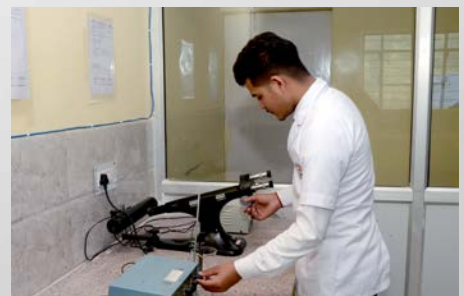

Approved By	Affiliated to	Eligibility
Ministry of HRD, pharmacy & council of India New Delhi	Veer Madho Singh Bhandari Uttarakhand Technical University, Dehradun	B. Pharm passed from any recognized university within minimum 55% marks

About Course

The Master of Pharmacy in Quality Assurance is an advanced postgraduate programme focused on pharmaceutical quality systems, regulatory compliance, validation processes, quality control, and global manufacturing standards. It prepares students to ensure that medicines are safe, effective, and produced according to strict quality guidelines. This programme combines technical knowledge with practical training in testing laboratories, documentation systems, audits, and regulatory frameworks, making graduates highly valuable to the pharmaceutical industry.

Why Choose this programme

- ❖ Highly demanded specialization in Pharma industries worldwide
- ❖ Essential role in medicine safety and regulatory compliance
- ❖ Strong opportunities in QA, QC, and audits
- ❖ Excellent career growth in manufacturing and exports sector
- ❖ Global relevance with international quality standards
- ❖ Pathway to leadership roles in pharmaceutical operations

B.M.I.R.T(Bachelors Of Medical Radiology & Imaging Technology) 3.5 Years & BMIRT(Lateral Entry) 2.5 Years

Approved by	Affiliated to	Eligibility
Government of Uttarakhand & Uttarakhand Paramedical Council, Dehradun	Uttarakhand Board of Technical Education Roorkee	10+2 passed from any recognized Board with PCB/PCM/PCMB with minimum 50% marks
Age Criteria	17 Years of Age on or before 31st Decmber of the year in which admission is taken.	

ABOUT COURSE

The Bachelor of Medical Radiology & Imaging Technology is a dynamic professional programme designed for students aspiring to build careers in diagnostic healthcare services. The course provides in-depth knowledge of advanced imaging techniques such as X-Ray, CT Scan, MRI, Ultrasound, and other radiological procedures essential for modern diagnosis and treatment planning.

Students receive strong academic instruction combined with hands-on clinical training in hospitals and diagnostic centres, enabling them to operate sophisticated medical equipment with precision, safety, and professionalism.

Why Choose This Programme?

- * High demand in hospitals, trauma centres, and diagnostic labs
- * Training in modern imaging technologies
- * Strong blend of theory and practical exposure
- * Excellent opportunities in India and abroad
- * Gateway to specialized diagnostic careers
- * Growing healthcare sector with stable employment prospects

B.P.T (Bachelor of Physiotherapy) 4.5 years & B.P.T(Lateral Entry) 3.5 Years

Approved by	Affiliated to	Eligibility
Government of Uttarakhand & Uttarakhand Paramedical Council, Dehradun	Uttarakhand Board of Technical Education Roorkee	10+2 passed from any recognized Board with PCB/PCM/PCMB with minimum 50% marks. For Lateral Entry Candidate must have passed diploma with a minimum of 45% marks from any recognized university/college and English, Physics, Chemistry and Biology mandatory subjects in 10+2
Age Criteria	17 Years of Age on or before 31st December of the year in which admission is taken.	

ABOUT COURSE

Bachelor of Physiotherapy is a highly respected healthcare programme focused on rehabilitation, pain management, movement science, and restoring physical function. The programme trains students to assess, diagnose, and treat musculoskeletal, neurological, sports, and post-operative conditions through therapeutic exercise and modern physiotherapy techniques.

With practical clinical exposure and patient-centred learning, students become skilled professionals capable of improving quality of life for individuals of all age groups.

Why Choose This Programme?

- * Increasing demand for rehabilitation professionals
- * Rewarding career helping people recover mobility
- * Opportunities in sports, orthopaedics, neurology, and wellness sectors
- * Scope for independent clinics and entrepreneurship
- * High employability in hospitals and fitness industries
- * Excellent long-term professional growth
- * Open up your own physiotherapy clinic

Student Enrichment Activities

Sports & ADVENTURE ACTIVITIES

Sports form an integral part of holistic education, fostering physical fitness, mental resilience, discipline, and teamwork among students. Our institution strongly encourages participation in a wide range of indoor and outdoor sports activities to ensure the overall development of every learner. Regular involvement in sports enhances stamina, strength, concentration, and stress management, which positively contributes to academic performance. It also cultivates leadership qualities, confidence, perseverance, and the spirit of healthy competition. The college provides well-maintained sports facilities and encourages students to participate in inter-college, university, and regional competitions. Through sports, students develop camaraderie, sportsmanship, and the ability to excel both on and off the field.

Student Enrichment Activities

Cultural And Literary Events

At our college, cultural and literary events are more than celebrations—they are vibrant platforms where talent, tradition, creativity, and confidence come alive. We proudly embrace diversity by bringing together students from different backgrounds, languages, and cultures to share their unique identities through music, dance, drama, poetry, debates, art, storytelling, and thought-provoking competitions. These events create an atmosphere of unity, respect, and joyful learning, where every student feels valued and inspired to participate. From festive cultural showcases to intellectually enriching literary gatherings, our campus nurtures expression, leadership, teamwork, and lifelong friendships. For aspiring students seeking a college that values both academic excellence and personal growth, our institution offers a dynamic environment where every voice is heard, every culture is celebrated, and every talent is given the stage to shine.

Educational And Industrial Tours

Our college believes that learning extends far beyond the classroom, which is why industrial and educational tours are an essential part of the student experience. These tours provide aspiring professionals with valuable opportunities to explore real-world industries, renowned institutions, research centers, and culturally significant destinations, helping bridge the gap between theoretical knowledge and practical understanding. Students gain first-hand exposure to modern technologies, professional work environments, industry practices, and emerging career opportunities while enhancing their confidence, curiosity, and global perspective. Educational tours also encourage teamwork, discipline, adaptability, and meaningful interaction with peers and mentors. By combining knowledge with experience, our college ensures that students develop not only academically, but also personally and professionally. For aspiring students, we offer a future-focused learning environment where every journey becomes an opportunity to discover, grow, and succeed.

Freshers And Annual Meet

Freshers' Meet marks the beginning of an exciting new journey for students as they step into college life with enthusiasm and ambition. This special occasion is designed to warmly welcome newcomers, helping them feel comfortable, confident, and connected within a friendly academic environment. Through interactive activities, talent showcases, and engaging celebrations, students get the opportunity to build friendships, express themselves, and create unforgettable first memories on campus. It is a celebration of fresh beginnings where every student is encouraged to shine, participate, and feel a true sense of belonging.

Annual Meet is a grand celebration of achievements, unity, and the vibrant spirit of campus life. It brings together students, faculty, and guests to reflect upon the year's successes in academics, cultural activities, sports, and leadership. The event highlights talent, dedication, and collective progress through inspiring performances, recognitions, and memorable moments of togetherness. It serves as a platform to honor excellence while motivating students to aim higher and achieve greater milestones. For aspiring students, it reflects a college environment where accomplishments are valued, growth is celebrated, and every success becomes a shared pride.

Our Campus And Facilities Provided

LAUNDRY SERVICE

Laundry services are available as a convenient student facility, ensuring comfort and ease in daily hostel life. Clothes are professionally washed, cleaned, and ironed with proper care, helping students maintain hygiene and a neat appearance without added hassle. This service saves valuable time, allowing students to focus more on academics and campus activities. It reflects the college's commitment to providing a supportive and student-friendly living environment.

GYM

The gym promotes health, fitness, and overall well-being by encouraging students to maintain an active and disciplined lifestyle. Equipped with essential fitness facilities, it offers a motivating space for exercise, strength training, and stress relief. Regular physical activity helps students stay energetic, focused, and confident throughout their academic journey. It reflects the college's commitment to balancing education with wellness.

Hostel

The hostel provides students with a safe, comfortable, and homely living environment that supports both personal and academic growth. With essential amenities and a disciplined atmosphere, it ensures convenience for students coming from different regions. Hostel life also encourages independence, friendship, and community living. It becomes a second home where students create lasting memories while pursuing their goals. 24/7 Wifi and Medical facility available.

Computer Lab

The computer lab offers students access to modern technology and practical learning resources essential for today's digital world. Equipped with updated systems and internet facilities, it supports academic projects, research, skill development, and technical training. It helps students build confidence in computer applications and modern tools relevant to their careers. The lab prepares learners to meet future professional demands with competence.

Library(Open24/7)

The library serves as a center of knowledge, learning, and academic growth where students can explore a wide range of books, journals, reference materials, and digital resources. We boast with dedicated library for each and every department. It provides a peaceful and focused environment that encourages reading, research, and self-development. Designed to support every course and discipline, the library helps students strengthen their understanding and broaden their perspective. It is a place where curiosity is nurtured and future success begins with knowledge.

Alumni's Meet

Alumni Meet is a special occasion that reconnects former students with their alma mater while celebrating shared memories and achievements. It creates a valuable platform for interaction between alumni, current students, and faculty members. Through inspiring experiences and success stories, alumni motivate students and strengthen the college community. It reflects the lasting bond and pride that continues beyond graduation.

Student Feedback

Abhishek Chauhan
Kanpur
Uttar Pradesh

The college regularly organizes guest lectures which are highly informative and engaging. Industry experts and professionals share real-world experiences, which helps us gain practical knowledge and a better understanding of my field.

The seminars and conferences conducted by the institution are well-structured and insightful. They keep students updated with the latest developments and provide a platform to enhance academic and professional knowledge.
